Brief Summary of the event:

Gujarat Technological University (GTU) established the School of Pharmacy (SP) from the academic year 2017-18. Currently it offers M. Pharm in Pharmaceutical Regulatory Affairs, Pharmaceutical Quality Assurance, Pharmaceutics and Phyto pharmacy & Phytomedicine and B.Pharm courses. The courses are approved by PCI. It aspires to be one of the leading schools in pharmacy to cater the growing need of qualified post-Graduate level (UG, PG & Ph.D.) human resources for Pharmaceutical Industries, Research Organizations, Pharmaceutical Education and Healthcare Sector.

Making Eco-friendly Ganesha Competition on 06th September 2024 organised by Library, School of Pharmacy Gujarat Technological University at GTU-SP Library Gandhinagar. It was organised by Ms. Urmila Patel. There were **69 participants** were present in this Competition.

An Eco-Friendly Ganesha Making event was organized with the primary objective of educating students about the significance of sustainability in Indian culture while also allowing them to engage in a creative and enjoyable activity. The event aimed to promote environmental consciousness by encouraging the use of eco-friendly materials such as clay instead of Plaster of Paris for making Ganesha idols. This helped students understand the importance of reducing pollution and protecting nature during festivals.

Moreover, the event also provided an opportunity for students to learn about the cultural and spiritual relevance of Lord Ganesha in Indian traditions. By participating in this hands-on activity, students were able to connect with their roots, appreciate Indian art forms, and celebrate the festival in a more responsible and meaningful way.

The combination of cultural learning and fun made the event a memorable experience for all participants, fostering a sense of responsibility toward the environment and preserving cultural heritage.
