Date:12/02/2026

An online training session on the **K-Hub E-Library Platform** was successfully conducted for students of the **School of Pharmacy Department** under the guidance of **Dr. Mahesh Solanki, Librarian - GTU Central Library.**

The training was delivered by **Ms. Ritu Sharma, Marketing Associate**, who provided a comprehensive demonstration of the **K-Hub platform**. The session focused on helping students understand how to effectively utilize the platform for academic purposes.

During the training, Ms. Sharma clearly explained:

- The basics of the K-Hub E-Library Platform
- Methods for searching **e-books** and **e-journal articles**
- Use of **basic search** and **advanced search** options
- Procedures for accessing and downloading resources

The session was conducted in **online mode**, allowing students to participate remotely. A total of **25 students** attended the training and actively engaged throughout the session.
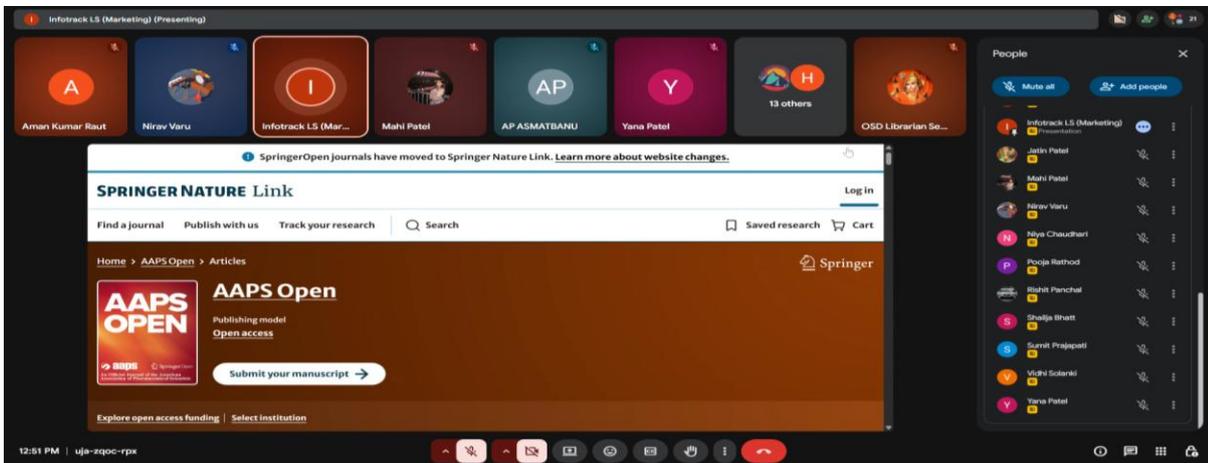

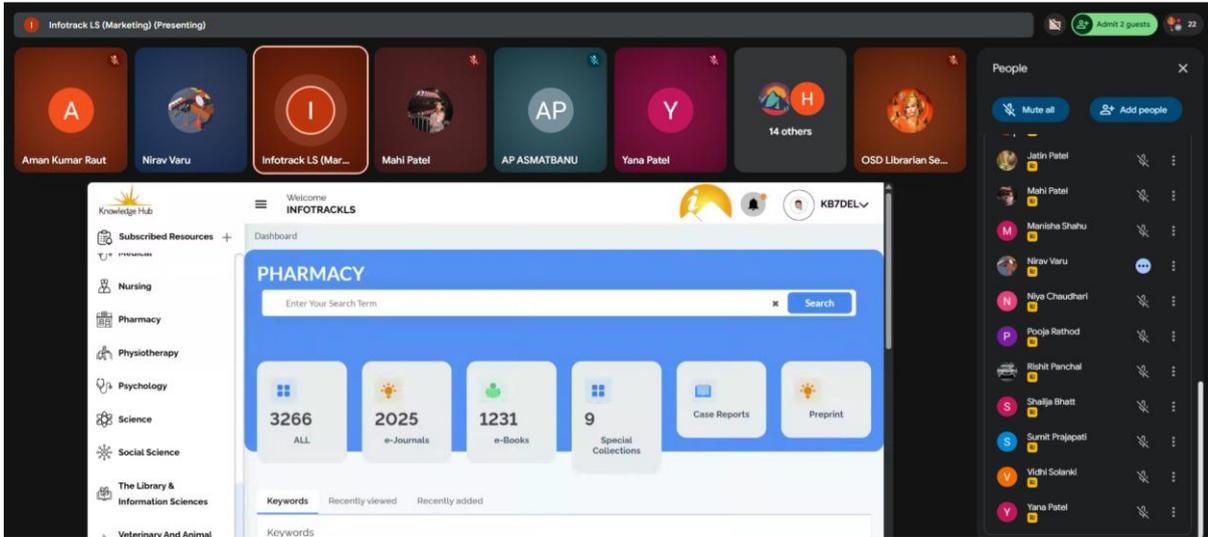

At the end of the program, an interactive question-and-answer segment was held. Students raised various queries regarding the platform's features and usage, which were patiently addressed and resolved by Ms. Ritu Sharma.
