**Brief Summary of the event:**

Expert Lecture on “Reference Management System” had been scheduled on 22<sup>nd</sup> June, 2023. This Reference Management System is very informative for the M. Pharm Students and PhD Scholars for

making the Dissertation Thesis. As Expert gave the information about Zotero, Mendeley and gave the hands-on training on MS Word Referencing Tool of the same. As well as our B. Pharm students are also benefited with this kind of informative session for their initial academic years of Graduation.
